

HARVEYS®

BAG SPA SERVICE FORM

(Available to U.S. customers only)

CLEANING

Most stains and debris can be removed at home using warm, soapy water and a toothbrush. However some stains may require professional attention. Harveys offers professional cleaning for all products. Please be aware that not all stains can be removed but we will try our best to restore your item to its original condition.

THANK YOU!

Canvas seatbelt strap totes, rope totes, lace covered, and any other non-seatbelt surface is not suitable for the Bag Spa. For these items, we recommend spot cleaning with colorless detergent and a damp soft cloth.
